“ India of the 21st century is moving forward with a very clear roadmap for climate change and environmental protection. ”

**Inspired by the Vision
Shri Narendra Modi, Hon'ble Prime Minister of India**

INDIA CLIMATE WEEK- OVERVIEW

The Second Edition of India Climate Week 2026 (ICW), orchestrated by the Carbon Markets Association of India (CMAI), acts as a pivotal global forum guided by the deep-rooted Indian philosophy 'प्रकृतिरेव शरणम्' (Nature is our only refuge). This high-impact convening is dedicated to accelerating net-zero pathways and translating ambition into action by powerfully combining ancient wisdom with modern action through a comprehensive whole-of-society engagement that unites governments, industries, and civil society.

ICW 2026 drives global collaboration and rapid decarbonization through cross-border partnerships, innovative market mechanisms, and sectoral transitions in aviation, marine, and CBAM-linked industries.

The cornerstone of ICW is capacity enhancement for climate professionals, focusing on building expertise in sustainable finance, carbon market mechanisms, and climate governance. Beyond knowledge exchange, it serves as a dynamic hub to mobilize investments and carbon finance, foster innovation, and strengthen international cooperation. The event culminates with the prestigious India Climate Samman, recognizing pioneers driving impactful environmental change and reinforcing India's leadership in shaping a climate-resilient global future. ICW stands not merely as a platform, but as a growing movement—uniting the world for climate action and galvanizing global resolve to safeguard the planet for generations to come.

EXPECTED OUTCOMES

India Climate Week (ICW) 2026 is more than just a conference—it's a collective call to action. Spearheaded by the Carbon Markets Association of India (CMAI), ICW brings together governments, industries, civil society, and innovators to accelerate climate solutions, foster green innovation, and reaffirm our shared responsibility to a sustainable planet.

Renewed Commitment to Climate Action

Global leaders, innovators, and communities will unite to pledge tangible, measurable steps toward a greener, net-zero future.

Traditional Knowledge Meets Modern Innovation

India's rich heritage of sustainability will guide next-gen, climate-smart solutions rooted in both wisdom and science.

Roadmaps to a Net-Zero Future

Defined, actionable pathways across sectors that balance development with deep decarbonization.

Scalable Climate Solutions

Real-world success stories and high-impact partnerships that transform bold ideas into global action.

Strengthened Carbon Markets & Green Finance

Unlocking capital, boosting investment flows, and advancing mechanisms that power sustainable, low-carbon growth.

Technology & Digital Innovation

From AI to blockchain, showcasing cutting-edge tools that drive resilience, adaptation, and climate breakthroughs.

01

GLOBAL COLLABORATION

Position India as a leader in climate action and enable cross-border impact.

Drive actionable partnerships under Article 6, enable multi-stakeholder knowledge exchange, and establish measurable international carbon reduction initiatives.

02

ENVIRONMENTAL INCENTIVES & INVESTMENT

Unlock and deploy capital for scalable, high-impact climate solutions.

Advance carbon markets (voluntary and compliance), strengthen EPR frameworks, and channel investments to accelerate adoption of low-carbon technologies and green industries.

03

CIRCULAR ECONOMY & RESOURCE EFFICIENCY

Achieve tangible reductions in waste and resource consumption across sectors.

Implement regenerative production models, foster industry-startup collaborations, and scale circular business practices that deliver measurable environmental and economic benefits.

04

TECHNOLOGY ENHANCEMENT & INNOVATION

Advanced clean energy systems, digital tools, new fuel pathways, circular models, advanced materials

Deploy next-gen technologies, integrate AI-based MRV, optimize industrial processes, accelerate R&D, pilot breakthrough solutions

05

SECTORAL DECARBONIZATION

Reduce emissions in high-impact sectors through actionable strategies.

Develop and implement transition pathways for SAF, marine shipping, and CBAM-linked industries, leveraging technology adoption, collaborative R&D, and strategic global partnerships to achieve sector-specific carbon reduction targets.

06

CLIMATE LAW & COMPLIANCE

Strengthen institutional and corporate capacity for accelerated climate action.

Equip stakeholders with ESG, climate finance, and regulatory knowledge, enabling compliance, policy alignment, and measurable acceleration of sectoral decarbonization efforts.

PROGRAMME FLOW

DAY 1 (SITE VISIT – FULL DAY) 12 MARCH 2026

DAY 2 & 3 13 & 14 MARCH 2026

TIME	DETAILS
9:30 – 10:00 AM	<i>Registration and Networking Tea</i>
10:00 AM – 4:00 PM	National Certification Workshop on 'Carbon Markets & Net Zero Readiness'

DAY 4 16 MARCH 2026

TIME	DETAILS
9:30 – 10:00 AM	<i>Registration and Networking Tea</i>
10:00 – 11:30 AM	Inaugural Session : "India – The Gateway to a Net Zero World"
11:30 – 11:45 AM	<i>Networking Tea</i>
11:45 – 1:15 PM	Session: Global Collaborations to drive Climate Action under Paris Agreement
1:15 – 2:00 PM	<i>Networking Lunch</i>
2:00 – 3:15 PM	Panel Discussion: Role for Article 6 in Net Zero Transition in partnership with London School of Economics (LSE)
3:15 – 4:15 PM	Session by Bureau of Energy Efficiency (BEE) on Indian Compliance Carbon Market
4:15 – 5:15 PM	Panel Discussion: Unlocking Climate Action Through Voluntary Carbon Markets
5:15 – 5:45 PM	<i>Networking Tea</i>

DAY 5

17 MARCH 2026

TIME	DETAILS
SAF POLICY CONCLAVE : FROM DIALOGUE TO IMPLEMENTATION HOSTED BY SAF ASSOCIATION	
9:00 – 10:00 AM	Registration and Networking Tea
10:00 – 11:30 AM	Inaugural Session : Pathways to Net Zero Aviation
11:30 – 11:45 AM	<i>Networking Tea</i>
11:45 – 1:15 PM	Roundtable: India's Pathway to Net Zero Aviation – A Policy Dialogue
PARALLEL SESSION	
11:45 – 1:15 PM	Driving Rural Growth through Climate Finance
1:15 – 2:00 PM	<i>Networking Lunch</i>
CLIMATE LAW CONCLAVE HOSTED BY CLIMATE LAW ASSOCIATION	
2:00 – 3:30 PM	Panel Discussion: Circularity & Incentives: The New Growth Engine for Indian Industries
3:30- 5:00 PM	Panel Discussion: Climate Law in Action – Global Dialogues and Compliances
3:30- 5:00 PM	Roundtable – Translating Circular Economy Outcomes into Carbon Value
6:00 – 6:45 PM	Valedictory Session: "Charting the Way Forward: India's Roadmap to a Net-Zero World"
7:00 – 9:00 PM	India Climate Samman
9:00 – 9:30 PM	<i>Networking Dinner</i>

The India Climate 'Samman', is a pioneering initiative to honour "प्रकृति संवर्धक" (Sustainer of nature), celebrates outstanding contributions to sustainable development and climate action. As a first-of-its-kind recognition, it offers a unique platform for honouring organizations and individuals dedicated to driving impactful change. By participating, you'll be part of a prestigious event that shines a spotlight on transformative solutions, fostering collaboration and innovation for a greener, more resilient future. This is an exceptional opportunity to align with India's climate leadership and be recognized for your commitment to sustainability.

HONORING DR. V.K. SARASWAT
(MEMBER, NITI AAYOG)

HONORING ECOLOGICAL TASK FORCE
UNITS OF TERRITORIAL ARMY

HONORING TATA POWER LTD.

HONORING MS. VEENA SINHA
(FORMER CEO, REMCL)

HONORING LARSEN & TOUBRO LTD.

HONORING INDIAN OIL
CORPORATION LTD.

Organizational Categories

• **Net-Zero Leadership**

Recognizing organizations demonstrating outstanding progress and commitment towards achieving net-zero emissions.

• **Active State in India for Climate Action**

Recognizing state governments that have shown exemplary leadership and action in implementing climate initiatives.

• **Innovative Climate Action Project**

Honouring unique and innovative projects that advance climate solutions.

• **Climate Startup Excellence**

Celebrating startups making a significant impact in climate technology, carbon markets, or sustainability solutions.

• **Pioneer in Carbon Sequestration Solutions**

Acknowledging pioneering efforts in carbon sequestration, showcasing leadership in mitigating climate change through innovative solutions.

• **Circular Economy Leadership**

For organisation leading in waste reduction and resource efficiency

• **Green Infrastructure Leadership**

Honouring leadership in sustainable infrastructure that integrates environmental considerations and drives green development.

• **Community Climate Action**

Recognizing grassroots initiatives empowering communities to engage in sustainable climate action and foster resilience.

• **Biodiversity Preservation Excellence**

Recognizing efforts to protect and restore India's biodiversity through innovative conservation and habitat restoration.

• **Green Energy Transition**

Recognizing contributions for transitioning to clean energy, advancing sustainability, energy security, and reduced carbon footprints.

• **CSR Investment in Sustainability**

Recognizing companies that have contributed the most Corporate Social Responsibility (CSR) funds in carbon credit initiatives.

• **Highest Carbon Credit Issuance**

Honouring entities with the maximum issuance of verified carbon credits in the past year.

• **Maximum Carbon Projects**

Acknowledging entities with the largest number of registered carbon credit projects under their portfolio.

• **CSR Leadership in Climate Action**

Recognising companies that have strategically deployed Corporate Social Responsibility (CSR) funds to support high-impact climate initiatives.

• **Climate Journalism**

Celebrating outstanding media contributions that raise awareness, inspire action, and drive meaningful dialogue on climate change and sustainability.

Individual Categories

- **Lifetime Achievement in Climate Leadership**

Honouring visionary leaders whose enduring commitment and ground-breaking contributions have shaped the global fight against climate change, inspiring generations to advance a sustainable future.

- **Climate Policy Champion**

Acknowledging individuals or organizations for their influential contributions to climate and carbon market policy formation.

- **Women in Climate Leadership**

Recognizing exceptional contributions by women leaders in driving climate action and sustainability.

- **Climate Champion in Innovation and Technology**

Recognising exceptional individuals who have pioneered innovative, creative, and technological solutions, leading transformative advancements in climate action, and creating scalable models for sustainable development in India's fight against climate change.

- **Climate Journalist**

Celebrating outstanding Journalists who raise awareness, inspire action, and drive meaningful dialogue on climate change and sustainability.

- **Climate Youth Icon**

Celebrating individuals under 35 years of age who have made a significant impact in advancing sustainable climate action and entrepreneurship.

- **Climate Entrepreneur Excellence**

Honouring entrepreneurs whose visionary leadership and innovative business models are accelerating climate solutions, driving sustainable growth, and delivering measurable environmental impact.

**A nomination processing fee exclusive of taxes) is applicable for both national and international entries, per category.*

India Climate Week 2026 – Key Highlights

LEADERSHIP & POLICY MOMENTUM

Key addresses by Ministries and global climate leaders for climate action, driving international cooperation and policy alignment with global goals.

INDIA CLIMATE SAMMAN

Honoring individuals and institutions for impactful leadership in climate innovation, grassroots action, policy, and youth engagement.

STRATEGIC MOUS & PARTNERSHIPS

Key MoUs to formalize cross-sector collaborations in climate tech, finance, R&D, and resilience, fostering long-term global partnerships.

CARBON MARKETS & CLIMATE FINANCE

Explore cutting-edge tools and platforms to unlock finance for green infrastructure and resilience.

CAPACITY BUILDING & KNOWLEDGE EXCHANGE

Workshops and trainings to equip governments, startups, and practitioners with practical tools for on-the-ground impact.

TECH & INNOVATION SHOWCASES

Showcase of AI, cleantech startups, and blockchain-based MRV systems shaping next-gen climate solutions.

DELEGATE PRICING

India Climate Week 2026 is a collective movement to accelerate climate action, drive innovation, and unite efforts for a sustainable planet through collaboration, commitment, and measurable progress in green growth.

For more information about attending, please contact us at +91 98117 79580 or email secretary@cma-india.com

Type of Pass	Registration Fee
Access to all 4 days programme - Workshops, Conferences & Felicitation Ceremony (Day 2 to 5)	600 USD / 50,000 INR
Access to 2 days Certification Workshops (Day 2 & Day 3)	300 USD / 25,000 INR
Day 1 (Site Visits)	As per actuals (TBC)
Access to Conference & Felicitation Ceremony (Day 4 & Day 5)	300 USD / 25,000 INR

*ALL PRICES MENTIONED ARE EXCLUSIVE OF APPLICABLE TAXES & EXCLUDED OF CONVERSION RATES

What's included in your All Access Pass (Day 2 to 5)

Gain insights from 100+ speakers across government, industry, and global sustainability leaders.

Entry to All Sessions, including keynotes, panel discussions, and a high-level roundtable.

Networking Opportunities with sustainability professionals, policymakers, and industry innovators.

Entry to the Exhibition Zone, showcasing cutting-edge technologies, and partnership opportunities.

EXHIBITION

INR 4 LAKHS / USD 5000*

Participating in the exhibition at India Climate Week 2026 offers a powerful platform to showcase climate-smart products and innovative solutions to a global audience. It's an opportunity to connect with influential policymakers, forward-thinking investors, and key decision-makers driving climate action.

🌍 Showcase your climate-smart products, technologies, and innovations

🤝 Connect with global policymakers, investors, and sustainability leaders

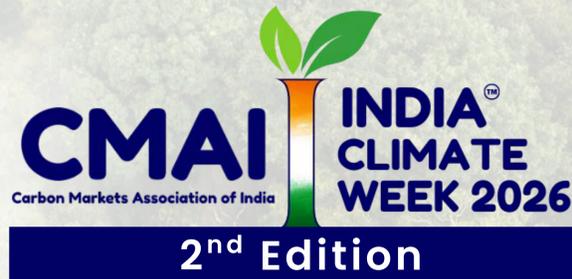

🔗 Build strategic, cross-sector partnerships for long-term impact

🌱 Lead the conversation on sustainability and climate resilience

📣 Gain visibility among key stakeholders, media, and decision-makers

⚡ Drive impact in accelerating the global net-zero transition

Why Participate at India Climate Week 2026?

POSITION YOUR BRAND AS A CLIMATE LEADER

Align your organization with India's most prominent climate action platform, demonstrating your commitment to sustainability, innovation, and global climate goals.

ENGAGE WITH GLOBAL STAKEHOLDERS AND INVESTORS

Gain direct access to key ministries, government officials, international agencies, and investors in the climate domain.

SHOWCASE INNOVATION AND GREEN SOLUTIONS

Highlight your climate technologies, products, or initiatives in curated exhibition zones, innovation pavilions, and thematic sessions attended by thousands of stakeholders.

UNLOCK BUSINESS AND INVESTMENT OPPORTUNITIES

Network with investors, development banks, carbon market players, and corporates seeking sustainable solutions and climate partnerships.

AMPLIFY IMPACT AND BRAND VISIBILITY

Benefit from national and international media coverage, digital promotions, and brand placement across event venues, printed materials, and digital channels.

BE PART OF MULTI-SECTOR COLLABORATIONS

Participate in roundtables, MoU signings, and consortium-building with leading institutions, startups, cities, and civil society actors.

India Climate Week 2025 – Highlights

- **GLOBAL CLIMATE DIPLOMACY:** Convened the high-level session on “Global Cooperation in Carbon Markets” with representatives from 30 countries.
- **SCALE & DIVERSITY:** Brought together 1,000+ delegates, including global leaders, innovators, policymakers, and industry stakeholders from 30+ nations.
- **STRATEGIC COLLABORATIONS:** Facilitated 10+ MoUs and institutional partnerships across government, industry, and academia to accelerate climate solutions.
- **MARKET-SHAPING DIALOGUE:** Delivered policy-relevant discussions on carbon finance, ESG, and environmental commodity markets.
- **RECOGNISING CLIMATE CHAMPIONS:** Honoured 25 “Prakriti Samvardhak” awardees under India Climate Samman for outstanding environmental stewardship.
- **KEY ALLIANCE LAUNCHED:** Officially launched the SAF Association and the EPR Alliance to drive sectoral decarbonisation and circularity.
- **NATIONAL & GLOBAL VISIBILITY:** Achieved high media reach, amplifying India’s climate leadership narrative.
- **ROADMAP TO ACTION:** Set the momentum for India Climate Week 2026 – shifting focus from dialogue to on-ground implementation for a greener, resilient future.
